4.1 Owners' Easement of Enjoyment of Common Areas. Developer hereby declares, creates and grants a non-exclusive easement in favor of each Owner for the use and enjoyment of the Common Areas which shall run with and be appurtenant to each Lot, subject to the following:

(i) The right of the Association (after conveyance of the Common Areas to the Association) to dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility for such purposes and subject to such conditions as may be set forth in the instrument of dedication or transfer, upon approval of two thirds (2/3) of the membership of each class of members of the Association;

4.3 Conveyance of Common Areas. Developer hereby declares, creates and reserves the Utility Easements for the use of all public utility companies (not including transportation companies), adjoining property owners pursuant to the terms of recorded easements, governmental agencies and the Association for access to and installation, maintenance, repair or removal of poles, mains, ducts, drains, lines, wires, cables and other equipment and facilities for the furnishing of utility services, including cable television services. The Association shall be responsible for the maintenance and upkeep of the Sign Easements (including, but not limited to, repairs to and replacement of equipment and

improvements located on or in the Sign Easements). The Association shall maintain a policy of general public liability naming the Association and each Owner of a Lot upon which a Sign Easement is located as insureds and covering claims against the insureds for injuries to or death of persons and damage to property occurring in or upon the Sign Easements, in an amount not less than One Million Dollars (\$1,000,000) for injury to or death of any one person; One Million Dollars (\$1,000,000) for injury to or death of more than one person in the same accident or occurrence; and One Million Dollars (\$1,000,000) for damaged property arising out of any one accident or occurrence.

5.2 Building and Setback Lines. Building lines are established on the Plat(s) of the Real Estate. No structure or part thereof, other than walks and drives, shall be erected or maintained between such building lines and the Lot lines of said Lot. Side Lot lines are established in accordance with the zoning ordinance of Marion County, Indiana, applicable to the respective Lots or any variance granted therefrom, unless a greater setback line is established on any Plat. In the event a building is erected on more than one Lot, this restriction shall apply to the side lines of the extreme boundary of the multiple Lots.

5.3 Subdivision of Lots. No Lot shall hereafter be subdivided into parcels for additional residential purposes.

5.4 Accessory and Temporary Buildings. No trailers, shacks, outhouses, detached storage sheds, tool sheds or other out building of any kind shall be erected or situated on any Lot, nor shall any building of a temporary character be erected, except that for use by the Developer or builder(s) during the construction of a residential building on any Lot.

5.7 Antenna. All television or other antennas and satellite dishes shall be affixed to improvements located on the respective Lot involved. No freestanding antennas or satellite dishes, for any purpose, shall be permitted. No outside television antennas will be permitted if a master antenna is available for a Lot.

5.8 Noxious or Offensive Trade. No noxious, unlawful or otherwise offensive trade or activity shall be carried on upon any Lot; nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood.

5.9 Garbage and Refuse Disposal. Owners shall not dump any trash, waste, refuse or other objectionable matter upon any Lot, easement or street within the Real Estate. All trash, garbage and refuse stored on any Lot shall at all times be stored in covered sanitary receptacles. There shall be no burning of trash and no open fires, except fires in a grill or fire ring.

5.10 Weeds and Vegetation. Lot owners shall not permit the growth of weeds and shall keep their Lots reasonably clear from unsightly weeds and growth at all times.

5.11 Business Activity. No business buildings shall be erected on any Lot, and no business may be conducted on any part thereof, other than the home occupations permitted in the Dwelling Districts Zoning Ordinance of Marion County, Indiana. Notwithstanding the above, no school, preschool, day-care facility, church or similar institution of any kind shall be maintained, conducted or operated upon any Lot.

5.12 Exterior Lighting. No exterior lighting shall be directed outside the boundaries of any Lot, nor shall any lighting be used which constitutes more than normal convenience lighting.

5.13 Laundry. All laundry shall be dried on a special drying apparatus in the form of a folding rack or umbrella which, if used, shall be placed at the rear of each Lot. Clotheslines shall not be strung or hung between trees and shrubbery on any Lot.

5.14 Building Number. No more than one building shall be erected or used for residential purposes on any Lot.

5.15 Fences and Site Obstructions. No fence, wall, hedge or shrub planting which obstructs site lines at elevations between two (2) feet and six (6) feet above the street shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street and property lines and a line connecting points twenty-five (25) feet from the intersection of said street lines, or in the case of a rounded property corner, from the intersection of the street lines extended. The same site line limitation shall apply to any Lot within ten (10) feet from the intersection of the street line with the edge of a driveway. No trees shall be permitted to remain within such distances of such intersection unless the foliage line is maintained at sufficient height to prevent obstruction of site lines.

5.16 Animals. No animals, livestock or poultry shall be raised, bred or kept on any Lot except that dogs, cats and other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.

5.17 Size of Structures. No structure shall be erected, altered, placed, or permitted to remain on any Lot, other than one detached single-family dwelling. No residence shall be erected on any Lot having a main floor area of less than 1200 square feet in the case of a one-story structure and 800 square feet in the case of a multi-story structure exclusive of open porches, carports and garages in all cases. However, no structure of more than one-story shall have less than an aggregate of 1200 square feet.

5.18 Completion of Dwellings. Unless a delay is caused by strikes, war, court injunction or acts of God, the exterior of any dwelling or structure built on any Lot shall be completed within one (1) year after the date of commencement of the building process.

5.19 Driveways. All driveways on any Lot shall be paved with either asphalt or concrete simultaneously with the construction of a residence thereon.

Real Estate by the Department of Public Works of the City of Indianapolis or other governmental agency having jurisdiction thereover and the requirements of all drainage permits for the Plat(s) of all or any part of the Real Estate issued by that Department or other agency. Failure to so comply, including failure to comply with Department of Public Works or other agency and Federal Housing Administration lot grading regulations and recommendations, or construction of any building area, including basements, below the minimum pad elevation shown on the drainage plan, shall operate as a waiver and release of the Developer and his agents from all liability as to damage caused by storm waters and storm drainage.

5.21 Garages. All residential buildings erected on any Lot shall have a two (2) or three (3) car garage.

5.22 Tree Preservation. The Developer has entered into a tree inventory and preservation plan (the "Preservation Plan") in connection with the rezoning of the Real Estate (Petition No. 90-Z-139) which restricts and limits the removal of trees from the Real Estate. No trees may be removed from the Real Estate (including, without limitation, any Lot or the Common Areas) without the prior written approval of the Board of Directors of the Association; provided, however, that nothing herein shall prevent or apply to the removal of trees by Developer or any entity related to Developer during its development of the Real Estate; and provided further, that nothing herein shall prevent or apply to the removal of trees which is necessary to avoid an imminent risk of property damage or personal injury resulting from the presence of the trees to be removed. Requests to remove trees from the Real Estate shall be made to the Board of Directors of the Association in writing. In the event the Board of Directors of the Association does not indicate in writing its approval or disapproval of a request for tree removal within thirty (30) days after submission, the Board of Directors of the Association shall be deemed to have disapproved such request. The Association shall enforce the Preservation Plan and the Board of Directors of the Association shall withhold its approval under this paragraph 5.22 if the requested tree removal will violate the Preservation Plan. Each Owner of a Lot shall inventory the trees on their Lot in the area of the footprint of any proposed residential building to be constructed thereon as to the trees that may be effected by any such construction as part of the documentation required to obtain an improvement location permit from applicable governmental authorities.

5.23 Tree. Each Owner of a Lot (other than Declarant) shall maintain at least one tree of a two and one-half (2 1/2) inch caliper on their Lot at all times.

5.24 Mailboxes. Each Owner of a Lot (other than Declarant) shall install and maintain a standard mailbox on their Lot at all times after the construction of a residential building thereon.

5.25 Lighting. Each Owner of a Lot (other than Declarant) shall install and maintain in operating condition a dusk to dawn light at all times after the construction of a residential building thereon.

5.26 Aluminum Siding. Aluminum siding shall not be used or permitted as an exterior facing material on any residential building located or constructed on any Lot.

ARTICLE VI

ASSOCIATION

6.1 Membership. Each Owner shall, automatically upon becoming an Owner, be and become a member of the Association and shall remain a member of the Association until such time as his ownership of a Lot ceases, at which time his membership will terminate and the new Owner of his Lot shall be and become a member of the Association.

6.2 Classes of Membership. The Association shall have two (2) classes of membership, as follows:

(i) Class A Members. Class A members shall be all Owners other than Developer (unless the Class B membership has been converted to Class A membership as provided in the following subparagraph (ii), in which event Developer shall then be a Class A member). Class A members shall be entitled to one (1) vote for each Lot owned.

(ii) Class B Members. The Class B member shall be the Developer. The Class B member shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and terminate and be converted to Class A membership upon the "Applicable Date" (as such term is hereinafter defined in paragraph 6.3).

6.3 Applicable Date. As used herein, the term "Applicable Date" shall mean the date which is the earlier of (a) the date on which the total votes outstanding in the Class A membership is equal to the total votes outstanding in the Class B membership or (b) June 30, 1995.

6.4 Multiple or Entity Owners. Where more than one person or entity constitutes the Owner of a particular Lot, all such persons or entities shall be members of the Association, but the vote in respect of such Lot shall be exercised as the persons or entities holding an interest in such Lot determine among themselves, but in no event shall more than one (1) vote (in the case of Class A membership) be cast with respect to such Lot.

6.5 Board of Directors. The Board of Directors of the Association shall manage the affairs of the Association.

6.6 Responsibilities of the Association. The responsibilities of the Association include, but shall not be limited to, (a) the administration and enforcement of the covenants, conditions and restrictions contained in this Declaration, (b) the maintenance and upkeep of the Common Areas, Drainage Easements and Sign Easements, (c) the payment of all assessments and charges against the Common Areas, and (d) maintaining the policies of general public liability insurance required to be maintained by the Association by this Declaration.

6.7 Compensation. No director of the Association shall receive compensation for his services as such director.

6.8 Non-Liability of Directors and Officers. The directors and officers of the Association shall not be liable to the Owners or any other persons for any error or mistake of judgment in carrying out their duties and responsibilities as directors or officers of the Association, except for their own individual willful misconduct, bad faith or gross negligence.

6.9 Covenant for Assessments. The Declarant, for each Lot owned within the Real Estate, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (1) annual assessments, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with costs of collection and reasonable attorneys' fees and interest from the date such assessments are due at the rate of twelve percent (12%) per annum, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with costs of collection and reasonable attorneys' fees and interest from the date such assessments are due at the rate of twelve percent (12%) per annum, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

6.10 Purpose of Assessments. The assessments levied by the Association shall be used exclusively (a) for the maintenance

and upkeep of the Common Areas, Drainage Easements and Sign Easements (including, but not limited to, repairs to and replacement of equipment and improvements located on or in the Common Areas, Drainage Easements or Sign Easements), (b) to pay the premiums for the policies of general public liability insurance required to be maintained by the Association by this Declaration, (c) to promote the health, safety and welfare of the residents occupying the Real Estate, (d) to pay all assessments and charges against the Common Areas, and (e) for the performance of the responsibilities and duties of the Association. A portion of the annual assessments may be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of any equipment or improvements located on or in the Common Areas, Drainage Easements or Sign Easements.

6.11 Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner (other than Developer), the maximum annual assessment shall be Sixty Dollars (\$60) per Lot.

(i) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner (other than Developer), the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership of the Association.

(ii) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner (other than Developer), the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members of the Association who are voting in person or by proxy, at a meeting duly called for this purpose.

(iii) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum annual assessment.

6.12 Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of collecting or reimbursing in whole or in part, the cost of any construction, reconstruction, repair or replacement of the Common Areas, Drainage Easements and Sign Easements, provided that any such special assessment shall have the assent of two-thirds (2/3) of the votes of each class of members of the Association who are voting in person or by proxy at a meeting duly called for this purpose.

6.13 Notice and Quorum for Any Action Authorized Under Paragraphs 6.11 and 6.12. Written notice of any meeting of the members of the Association called for the purpose of taking any action requiring a vote of the members of the Association under paragraphs 6.11(ii) or 6.12 shall be sent to all members of the Association not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

6.14 Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

6.15 Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Areas to the Association as provided in paragraph 4.3. The first Annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date(s) shall be established by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

6.16 Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, together with costs of collection and reasonable attorneys' fees, to recover a money judgment and such amounts may be further enforced by imposition of a lien and foreclosure of such lien against such Owner's Lot in the manner that mechanics liens are imposed and foreclosed in Indiana. Any lien sought to be imposed pursuant to this paragraph 6.16 shall be perfected upon the filing in the office of the Recorder of Marion County, Indiana, at any time within sixty (60) days after the date payment is due, a notice of the intention to hold a lien in the same manner that a notice of intention to hold a mechanic's lien is filed in Indiana.

6.17 Subordination of the Lien to Mortgages. The lien of the assessments provided for in paragraph 6.16 shall be subordinate to the lien of any mortgage on the Lot. Sale or transfer of any Lot shall not affect the lien of the assessments provided for in paragraph 6.16. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of the assessments provided for in paragraph 6.16 as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE VII

MORTGAGES

7.1 Notice to Association. Any Mortgagee who places a first mortgage lien upon a Lot may notify the Secretary of the Association of the existence of such mortgage and provide the name and address of such Mortgagee. A record of such Mortgagee and name and address shall be maintained by the Secretary of the Association and any notice required to be given to the Mortgagee pursuant to the terms of this Declaration, the By-Laws of the Association or otherwise shall be deemed effectively given if mailed to such Mortgagee at the address shown in such record in the time provided. Unless notification of any such Mortgage and the name and address of Mortgagee are furnished to the Secretary, as herein provided, no notice to any Mortgagee as may be otherwise required by this Declaration, the By-Laws of the Association or otherwise shall be required, and no Mortgagee shall be entitled to vote on any matter to which it otherwise may be entitled by virtue of this Declaration, the By-Laws of the Association, a proxy granted to such Mortgagee in connection with the mortgage, or otherwise.

7.2 Notice to Mortgagees. The Association, upon request, shall provide to any Mortgagee a written certificate or notice specifying defaults known to the Association, if any, of the Owner of the corresponding Lot in the performance of such Owner's obligations under this Declaration or any other applicable documents.

ARTICLE VIII

8.1 By the Association. Except as otherwise provided in this Declaration or by applicable statute, amendments to this Declaration shall be proposed and adopted in the following manner:

(i) Notice. Notice of the subject matter of any proposed amendment shall be included in the notice of the meeting at which the proposed amendment is to be considered.

(ii) Resolution. A resolution to adopt a proposed amendment may be proposed by the Board of Directors or Owners having in the aggregate at least a majority of the votes of all Owners.

(iii) Meeting. The resolution concerning a proposed amendment must be adopted by the designated vote at a meeting of the members of the Association duly called and held in accordance with the provisions of the By-Laws.

(iv) Adoption. Any proposed amendment to this Declaration must be approved by a vote of not less than two-thirds (2/3) in the aggregate of the votes of all Owners; provided, however, that any such amendment shall require the prior written approval of Developer so long as Developer owns any Lots within and upon the Real Estate. In the event any Lot is subject to a first mortgage, the Mortgagee shall be notified of the meeting and the proposed amendment in the same manner as an Owner if the Mortgagee has given prior notice of its mortgage interest to the Board of Directors of the Association in accordance with the provisions of the foregoing paragraph 7.1.

(v) Special Amendments. No amendment to this Declaration shall be adopted which changes any provision of this Declaration which would be deemed to be of a material nature by the Federal National Mortgage Association under Section 402.02 of Part V, Chapter 4, of the Fannie Mae Selling Guide or any similar provision of any subsequent guidelines published in lieu of or in substitution for the Selling Guide, without the approval of all Mortgagees who have given prior notice of their mortgage interest to the Board of Directors of the Association in accordance with the provisions of the foregoing paragraph 7.1

Any Mortgagee which has been duly notified of the nature of any proposed amendment shall be deemed to have approved the same if said Mortgagee or a representative thereof fails to appear at the meeting in which such amendment is to be considered (if proper notice of such meeting was timely given to such Mortgagee). In the event that a proposed amendment is deemed by the Board of Directors of the Association to be one which is not of a material nature, the Board of Directors shall notify all Mortgagees whose interests have

been made known to the Board of Directors of the nature of such proposed amendment, and such amendment shall be conclusively deemed not material if no Mortgagee so notified objects to such proposed amendment within thirty (30) days of the date such notices are mailed and if such notice advises the Mortgagees of the time limitation contained in this sentence.

8.2 By Developer. Developer hereby reserves the right so long as Developer, or any entity related to Developer, owns any Lot within and upon the Real Estate to make such amendments to this Declaration as may be deemed necessary or appropriate by Developer, without the approval of any other person or entity, in order to bring Developer into compliance with the requirements of any statute, ordinance, regulation or order of any public agency having jurisdiction thereof, or to comply with the requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Administration, the Veterans Administration or any other governmental agency to induce any of such agencies to make, purchase, sell, insure or guarantee first mortgages, or to correct clerical or typographical errors in this Declaration or any amendment or supplement hereto; provided that Developer shall not be entitled to make any amendment which is prohibited by applicable statute, or which has a materially adverse effect on the rights of any Mortgagee, or which substantially impairs the benefits of this Declaration to any Owner or substantially increases the obligations imposed by this Declaration on any Owner.

8.3 Recording. Each amendment to the Declaration shall be executed by Developer only in any case where Developer has the right to amend this Declaration without any further consent or approval, and otherwise by the President or Vice President and Secretary of the Association; provided, that any amendment requiring the consent of Developer shall contain Developer's signed consent. All amendments shall be recorded in the Office of the Recorder of Marion County, Indiana, and no amendment shall become effective until so recorded.
